WHAT CLIENTS ARE SAYING ABOUT EXXAT

"I thrive on organization, and Exxat has provided our clinical education program with a more streamlined way to update records and stay current."

- *Tara Dickson, UT Southwestern Medical Center*

"I couldn't imagine clinical education without it!"

- *Dalerie Lieberz, College of St. Scholastica*

CASE STUDY:

The University of Tennessee Health Science Center Department of Physical Therapy saved an estimated 38 hours per clinical education experience after they began using the annual slot request, wishlist and autoplacement features available in STEPS.

Their Director of Clinical Education called it "the best I've ever seen!" 50% of their students received their first choice
